- No fees
- HIPAA-compliant
- On-screen easy-to-use prescription forms (same as current forms)
- Automatic error screening
- Order status notification
- 3D annotations
- Instant tech support (via messaging)

- Lifetime digital cast storage
- Uses Apple Air 2 with scanner plug-in
- Foot positioning fixture available
- Free next-day hardware exchange for year one (\$100.00 value)

For more information, including pricing, please call 888-523-1600, e-mail contact@comfortfit-labs.com, visit www.comfortfit-labs.com, or click here.

Darco International Announces Launch of DUO Med Surg Shoe

Darco International is pleased to announce the latest addition to their line of products, the **DUO Med Surg Shoe**. The DUO is a high quality shoe that offers exceptional pressure

Continued on page 149

relief to a wound or post operative site. The DUO features a dual injected EVA sole that provides four times better shock absorption and up to 40% less pressure than cheaper post op shoes. The EVA sole is softer and lighter in weight than a TPR soled shoe, yet more durable. The DUO also features an adjustable ankle strap and pad for

more patient comfort and the dual buckle design allows the strap to be switched from left or right for patient convenience.

Darco has constructed the DUO to last much longer than a standard post-op shoe. The shoe comes in 5 sizes, which means less inventory to stock. Try the DUO today, you and your patients will notice and feel the difference immediately.

For questions about the DUO Med Surg Shoe, contact Darco at 800-999-8866, visit www.darcointernational.com, or click here.

Pilgrim Shoes for Comfort, Durability, Stylishness, and Competitive Pricing

Pilgrim Shoes are distinguished by their comfortable fit, the result of using German engineered lasts with anatomically shaped contoured bottom and heel cup for

better accommodation of foot deformities. In order to provide more elasticity in the forefoot area Pilgrim Shoes has implemented genuine stretchable leather inserts in some styles; the leather's breathability helps to maintain a healthy in-shoe climate.

Pilgrim Shoes offers a huge variety of fashionable and functional styles (100-plus), some of which are available up to size 15 Men's and 12 Ladies, and up to wwww and 6E. The Areni One line by Pilgrim is made via environ-

mentally friendly manufacturing methods in Baltimore by American craftsmen. All styles are PDAC-reviewed as A5500. Attractive sample shoe displays are available, and doctors may phone in orders or submit online or by FAX. Same day shipping, free returns, and very competitive pricing starting at \$35.

For more information, call 888-493-2859, visit www.pilgrimshoes.com, or click here.
