For 40 years **Straight Arrow Products, Inc.**, makers of the original Mane 'n Tail, have been known for providing effective and trusted personal care products, including products for your feet. For 30 of those years the company has been making and distributing **Foot Miracle**, and for the past 9 years, **Urea Care**. It's no wonder that over time both have become the chosen products by many professionals because of their deep penetrating formulas that soften callused, rough areas and restore and protect skin's natural moisture balance.

tube! The value of the product is incomparable. **Foot Miracle** contains ingredients found in costly, complicated treatment systems. You can't beat the convenience and ease of the product. All you have to do is apply the product where needed and see the difference almost instantly. Not only does it hydrate to rejuvenate the skin, but it also helps to fortify weak nails, while softening the cuticles, all without mineral oil, petroleum, or a greasy feel. It rejuvenates the heel and foot leaving a soft-as-velvet feel!

Although originally designed for feet, Foot Miracle may be applied anywhere on the body. Dry skin areas such as heels, elbows, and knees immediately 'drink-in' the hydrating benefits of the essential oils and vitamins. Over the years many Foot Miracle users have discovered the benefits of using it for their dry, chapped hands. Foot

Miracle is the perfect consistency; it goes on smoothly and never leaves an oily or tacky feel. Instead it leaves skin with a renewed feeling of comfort and vitality.

After massaging in the cream...skin's natural moisture balance is restored almost immediately. A dramatic difference will be noticed after just one application!

Urea Care is a unique treatment for those severe cases of dry cracked skin, even those associated with diabetes.

we have a unique therapeutic treatment called **Urea Care**. Urea Care's unique blend of 10% Urea, Aloe Vera, essential oils, vitamins A, D, and E provides maximum hydration properties that deeply penetrate and condition even the roughest, dry, cracked, damaged skin. Acting as an intensive skin therapy, Urea Care glides on easily, immediately revitalizing skin that needs intense moisture replenishment, resulting in a smooth, ultra-soft look and feel. Other severely dry skin areas also

respond well to Urea Care with its recommended use of at least twice daily.

Both products leave problem skin immediately soft and smooth. Check out these two doctor-recommended treatment products from Straight Arrow Products, Inc. that are proven and trusted by podiatrists. Remember, if it doesn't say Straight Arrow on the label, it is not the ORIGINAL Foot Miracle or Urea Care! Make Foot Miracle or Urea Care your *dry skin solution!*
