

Dr.'s Remedy Set to Launch Its FDA-Approved Anti-Fungal Cuticle Oil

By Rachel Bachelor

Now in its 11th year, Dr.'s REMEDY continues to grow and impress the podiatry community with its colorful array of wellness-inspired nail lacquers. New shades are introduced seasonally, keeping Remedy fans hooked on the nourishing 8-free line (free from toxins).

What's more, Dr.'s REMEDY continues to keep nail health in mind with its innovative treatments. HYDRATION, a nourishing moisture treatment specially designed to combat dry, brittle nails, appeals to diabetic patients, those with vitamin deficiencies, and patients undergoing menopause or chemotherapy.

One of Remedy's top sellers is its REMEDY Remover, free of acetone and specially formulated with organic additives. The newest treatment to the line is its NAIL, SKIN and HAIR oral supplement, which is quickly growing in popularity due to incredible results reflected in our remarkable patient testimonials.

This Spring, Dr.'s REMEDY will launch the first-of-its-kind, FDA-Approved, podiatrist-formulated ANTI-FUNGAL Cuticle Oil. Uniquely formulated to combat fungal infections while smoothing, softening and hydrating rough, dry cuticles, Dr.'s REMEDY *New and Improved Caress Anti-Fungal Cuticle Oil will be the ultimate cuticle treatment—hands down. Intensely hydrating, it revives dry, cracked cuticles on contact. Fast-absorbing with no greasy feel, the luxe yet-lightweight drops deliver deep conditioning with a unique blend of comforting lavender oil, antioxidant-rich grape seed oil and purifying tea tree oil, while undecylenic acid—a powerful fatty acid—acts as the first line of defense against nail fungus.

Dr.'s REMEDY will continue to listen to the demands of patients and podiatrists. Its goal is produce products aimed at promoting healthier, more beautiful-looking skin and nails.

About Dr's Remedy

Dr.'s REMEDY® is a line of doctor-inspired cosmetics that is dedicated to using clean, hypo-allergenic ingredients. The brainchild of two New York-based board certified podiatrists, Dr. Adam Cirlincione and Dr. William Spielfogel, Dr.'s REMEDY® proves quintessentially-perfect for any person looking to better the condition of her skin and nails.

Their Enriched Nail Polish is the first-ever nail polish on the market created by doctors and approved by the American Podiatric Medical Association. Made with organic ingredients, vitamins, wheat protein, tea tree oil, lavender, biotin and garlic bulb extract, Dr.'s REMEDY® vegan nail polish is the #1 podiatrist-recommended brand. Dr.'s REMEDY offers competitive wholesale pricing. *Inquire at www.remedynails.com, by calling 1-877-323-NAIL, or [click here](#).*
