Bryan Markinson, DPM

Jason Kraus

This year, podiatrists nationwide have elected Bryan Markinson, DPM and Jason Kraus to join a very elite group of legendary podiatrists in *Podiatry Management's* Podiatric Hall of Fame. Dr. Markinson is a distinguished author, lecturer, and authority on dermatopathology, making him truly a worthy recipient of *Podiatry Management's* Lifetime Achievement Award. To learn more about this extraordinary podiatrist, we direct you to a biography and tributes from many of his closest colleagues, which appear on page 69.

In the Lifetime Achievement category for non-podiatrists, the readers of *PM* have wisely selected podiatric entrepreneur and innovator Jason Kraus for this honor. To learn more about this remarkable leader, read his biography and tributes which appear on page 91.

We've also listed the Honorable Mention recipients for this prestigious award (see page 76). Invariably, future inductees will emerge from this list.

We invite all *PM* readers to attend the *PM* Podiatry Hall of Fame Ceremony to be held in conjunction with the APMA National Scientific Meeting on Saturday, July 31st at the Gaylord Rockies Resort & Convention Center in Denver, CO. All net proceeds from this event go directly to the APMA Educational Foundation. We wish to thank sponsors Bako Diagnostics, Talar Medical, 2020 Imaging, PRESENT, and Sammy Systems for their generous support of this event.

Respectfully Submitted,

Barry H. Block D.P.M.
