Lawrence DiDomenico, DPM

Louis Levine

This year, podiatrists nationwide have elected Lawrence DiDomenico, DPM and Louis Levine to join a very elite group of legendary individuals in *Podiatry Management's* Podiatric Hall of Fame. Dr. DiDomenico is a distinguished author, lecturer, and residency director, making him truly a worthy recipient of *PM's* Lifetime Achievement Award. To learn more about this extraordinary podiatrist, we direct you to a biography and tributes from many of his closest colleagues, which appear on page 49.

In the Lifetime Achievement category for non-podiatrists, the readers of *PM* have wisely selected Louis Levine, longtime President and CEO of the New York College of Podiatric Medicine for this honor. To learn more about this remarkable leader, read his biography and tributes which appear on page 77.

We've also listed the Honorable Mention recipients for this prestigious award (see page 54). Invariably, future inductees will emerge from this list.

We invite all *Podiatry Management* readers to attend the *PM* Podiatry Hall of Fame Ceremony to be held in conjunction with the APMA National Scientific Meeting on Saturday, July 30th at the Marriott World Center in Orlando, FL. All net proceeds from this event go directly to the APMA Educational Foundation. We wish to thank sponsors Bako Diagnostics, 2020 Imaging, and PRESENT, for their generous support of this event.

Respectfully Submitted,

Barry H. Block D.P.M.
